§350.203 [Reserved]

§ 350.205 How and when does a State apply for MCSAP funding?

- (a) The lead agency, designated by the Governor, must submit the State's CVSP to the Motor Carrier State Director, FMCSA, on or before August 1 of each year.
- (b) This deadline may, for good cause, be extended by the State Director for a period not to exceed 30 calendar days.
- (c) For a State to receive funding, the CVSP must be complete and include all required documents.

$\$\,350.207$ What response does a State receive to its CVSP submission?

- (a) The FMCSA will notify the State, in writing, within 30 days of receipt of the CVSP whether:
 - (1) The plan is approved.
- (2) Approval of the plan is withheld because the CVSP does not meet the requirements of this part, or is not adequate to ensure effective enforcement of the FMCSRs and HMRs or compatible State laws and regulations.
- (b) If approval is withheld, the State will have 30 days from the date of the notice to modify and resubmit the plan.
- (c) Disapproval of a resubmitted plan is final.
- (d) Any State aggrieved by an adverse decision under this section may seek judicial review under 5 U.S.C. chapter 7.

§ 350.209 How does a State demonstrate that it satisfies the conditions for Basic Program funding?

- (a) The Governor, the State's Attorney General, or other State official specifically designated by the Governor, must execute a State Certification as described in §350.211.
- (b) The State must submit the State Certification along with its CVSP, and

supplement it with a copy of any State law, regulation, or form pertaining to CMV safety adopted since the State's last certification that bears on the items contained in §350.201 of this subpart.

§350.211 What is the format of the certification required by §350.209?

The State's certification must be consistent with the following content:

- I (name), (title), on behalf of the State (or Commonwealth) of (State), as requested by the Administrator as a condition of approval of a grant under the authority of 49 U.S.C. 31102, as amended, do hereby certify as follows:
- 1. The State has adopted commercial motor carrier and highway hazardous materials safety rules and regulations that are compatible with the FMCSRs and the HMRs.
- 2. The State has designated (name of State CMV safety agency) as the lead agency to administer the CVSP for the grant sought and (names of agencies) to perform defined functions under the plan. These agencies have the legal authority, resources, and qualified personnel necessary to enforce the State's commercial motor carrier, driver, and highway hazardous materials safety laws or regulations.
- 3. The State will obligate the funds or resources necessary to provide a matching share to the Federal assistance provided in the grant to administer the plan submitted and to enforce the State's commercial motor carrier safety, driver, and hazardous materials laws or regulations in a manner consistent with the approved plan.
- 4. The laws of the State provide the State's enforcement officials right of entry and inspection sufficient to carry out the purposes of the CVSP, as approved, and provide that the State will grant maximum reciprocity for inspections conducted pursuant to the North American Standard Inspection procedure, through the use of a nationally accepted system allowing ready identification of previously inspected CMVs.
- 5. The State requires that all reports relating to the program be submitted to the appropriate State agency or agencies, and the State will make these reports available, in a timely manner, to the FMCSA on request.
- 6. The State has uniform reporting requirements and uses FMCSA designated forms for record keeping, inspection, and other enforcement activities
- 7. The State has in effect a requirement that registrants of CMVs declare their knowledge of the applicable Federal or State CMV safety laws or regulations.
- 8. The State must maintain the average aggregate expenditure of the State and its political subdivisions, exclusive of Federal

§ 350.213

assistance and State matching funds, for CMV safety programs eligible for funding under the Basic program at a level at least equal to the average level of expenditure for the 3 full fiscal years beginning after October 1 of the year 5 years prior to the beginning of each Government fiscal year. These expenditures must cover at least the following four program areas, as applicable:

- a. Motor carrier safety programs in accordance with 49 CFR 350.109.
- b. Size and weight enforcement programs in accordance with 49 CFR 350.309(c)(1).
- c. Drug interdiction enforcement programs in accordance with 49 CFR 350.309(c)(2).
- d. Traffic safety programs in accordance with $49\ \text{CFR}\ 350.309(d)$.
- 9. The State will ensure that CMV size and weight enforcement activities funded with MCSAP funds will not diminish the effectiveness of other CMV safety enforcement programs.

10. The State will ensure that violation fines imposed and collected by the State are consistent, effective, and equitable.

- 11. The State will establish a program to provide FMCSA with accurate, complete, and timely reporting of motor carrier safety information that includes documenting the effects of the State's CMV safety programs; participate in a national motor carrier safety data correction program (DataQs); participate in SAFETYNET; and ensure information is exchanged in a timely manner with other States.
- 12. The State will ensure that the CVSP, data collection, and information systems are coordinated with the State highway safety program under title 23, U.S. Code. The name of the Governor's highway safety representative (or other authorized State official through whom coordination was accomplished) is _______. (Name)

13. The State has undertaken efforts to emphasize and improve enforcement of State and local traffic laws as they pertain to CMV

- 14. The State will ensure that MCSAP agencies have departmental policies stipulating that roadside inspections will be conducted at locations that are adequate to protect the safety of drivers and enforcement personnel.
- 15. The State will ensure that requirements relating to the licensing of CMV drivers are enforced, including checking the status of CDLs.
- 16. The State will ensure that MCSAP-funded personnel, including sub-grantees, meet the minimum Federal standards set forth in 49 CFR part 385, subpart C for training and experience of employees performing safety audits, compliance reviews, or driver/vehicle roadside inspection.
- 17. The State will enforce operating authority requirements under 49 CFR 392.9a by prohibiting the operation of any vehicle dis-

covered to be operating without the required operating authority or beyond the scope of the motor carrier's operating authority.

18. The State will enforce the financial responsibility requirements under 49 CFR part 387 as applicable to CMVs subject to the provisions of 49 CFR 392.9a.

- 19. The State will include, in the training manual for the licensing examination to drive a non-CMV and the training manual for the licensing examination to drive a CMV, information on best practices for safe driving in the vicinity of noncommercial and commercial motor vehicles.
- 20. The State will conduct comprehensive and highly visible traffic enforcement and CMV safety inspection programs in high-risk locations and corridors.
- 21. The State will ensure that, except in the case of an imminent or obvious safety hazard, an inspection of a vehicle transporting passengers for a motor carrier of passengers is conducted at a station, terminal, border crossing, maintenance facility, destination, or other location where motor carriers may make planned stops.

§ 350.213 What must a State CVSP include?

The State's CVSP must reflect a performance-based program, and contain the following eighteen items:

- (a) A general overview section that must include the following two items:
- (1) A statement of the State agency goal or mission.
- (2) A program summary of the effectiveness of the prior years' activities in reducing CMV accidents, injuries and fatalities, and improving driver and motor carrier safety performance. Data periods used must be consistent from year to year. This may be calendar year or fiscal year or any 12-month period of time for which the State's data is current. The summary must show trends supported by safety and program performance data collected over several years. It must identify safety or performance problems in the State and those problems must be addressed in the new or modified CVSP
- (b) A brief narrative describing how the State program addresses the national program elements listed in §350.109. The plan must address these elements even if there are no planned
